

Most of the Church records for the Dioceses of Cashel and Emly **are not** available to the general public to view on line.

Tipperary Family History Research facility (TFHR)

Tipperary Family History Research is the only facility to offer a research service based on access to the Baptismal and Marriage records of the Catholic Church in the Archdiocese of Cashel & Emly. The Archdiocese covers most of County Tipperary and part of County Limerick and it contains 46 Parishes (see list). The Tipperary Family History Research facility (TFHR) was established solely to provide a research service to those people who have Tipperary ancestry, enabling you to have your ancestors records found and increase your knowledge of your family history. We hope you'll find our services and this website useful to you in your research and look forward to working on your behalf. To request a search, please telephone ++353 (0) 62 80555 or 80520 Located: Tipperary Excel, Mitchell Street, Tipperary Town, Co. Tipperary.

However, I have noted that five of the parishes in Cashel and Emly (all in North Tipperary) have been made available on Roots in the last year or so. I spoke to the representative of the TFHR and she assured me there is **no decision to roll out the Church records for the Dioceses of Cashel and Emly in South Tipperary on the Roots site.**

The Church records are available to view on microfilm at the National Library Dublin and also on line.

The Civil records from 1865 are available to view on Roots.

The Church records for the Diocese of Waterford and Lismore are all available on Roots.

The list of Parishes and their respective Dioceses are listed below and also the resource sources for each Parish that is available on Roots.

*Available on Roots but in the Dioceses of Cashel and Emly

(S)

Will look into the Roots Ireland Site again. As explained these records were most likely put on line via the North Tipperary Office based in Nenagh.

Presently there are no moves to put all the 46 Parishes of the Cashel and Emly Archdiocese on line via Roots or any other link.

Yes the Parishes to the North of the Archdiocese of Cashel and Emly are also in the hands of the North Tipperary Research Centre based in Nenagh.

They also hold the records for the Killaloe Diocese and all these are on line with Roots.

Obviously they will eventually have all those ex Cashel and Emly but in the North of the Diocese on line too.

Here is an explanation email of the work Tipperary Family History do and the records they hold.

When you visit our web site www.tfhr.org from the Home Page go to Advice then select Maps and these will also help you follow the layout of the Parishes and their relevant dates.

The following explains how Tipperary Family History Research conduct their research and outlines the relevant charges. Tipperary Family History Research is a subsidiary of the Tipperary Excel Heritage Company Ltd., a Charitable status organisation based in Tipperary Town. The primary record sources, the Baptismal and Marriage records of the Catholic Archdiocese of Cashel & Emly, remain under our Archbishop's custodianship, but with an agreement in place that TFHR provide a research service to the descendants of those Baptised or Married within the Catholic Church in the Archdiocese.

The research services available are as follows:

Primary Search - based on a single named ancestor, all the Baptismal and Marriage records of the Archdiocese [550,000 + records] are searched in order to

locate the ancestor's Baptismal and Marriage records, the Baptismal records of any children born to the Marriage plus Marriage record of the parents of your selected ancestor.

Secondary Search - as above but the Baptisims of Siblings of the named ancestor are researched instead of children of the named ancestor (due mainly to ancestor marrying outside Archdiocese or emigrating)

Further Search(es) - Based on a named ancestor. Will generate where found the chosen ancestor's Marriage record the Baptism records (if prior to 1900) for the chosen ancestor's children.

Single Record Search - Based on a named ancestor. Will generate where found the Baptism or Marriage of the chosen ancestor.

The fees charged for these services are: (obviously the exchange rate will vary).

Primary Search - €66.00 (+ 23% VAT if reside within the EU)

Secondary Search - €66.00 (+23% VAT if reside within the EU)

Further search - €33.00 (+ 23% VAT if reside within the EU)

Single Record Search - €18.00 (+23% VAT if reside within the EU)

All prices quoted include postage and packaging and Value Added Tax (VAT) at 23 %. Payment is accepted in Cash, by Cheque or by Credit Card. All Cheques made payable to Tipperary Family History Research, Mitchell St., Tipperary Town, Ireland. If payment by Credit Card (VISA or Master Card) you should submit Card No., Expiry Date and three digit code on reverse of card. We advise Clients to phone in these details for security reasons - our phone no. is + 353 62 80555. Please be advised that there is an additional handling charge of €5.00 on all foreign cheques.

The fees levied are for the process of research and are not based on information found.

There is no guarantee that the relevant records exist within our archives.

On receipt of your instructions and payment your file will then enter the system. Research will be conducted in order of the receipt of your final instructions and payment. When research commences then and only then will your account be debited or cheque cashed and within two weeks of this transaction you will have your research results.

Please visit our Web Site www.tfhr.org to learn all about us and see at first hand the Parish Records that we hold and the years relevant to each plus our leaflet and a map showing where the Archdiocese of Cashel and Emly is situated within the County.

Should you have any questions for us before commissioning your research please feel free to contact us. We look forward to hearing from you and conducting research on your behalf.
